LASH COURSE

CLASSIC TECHNIQUE (ONE TO ONE)

COURSE DESCRIPTION

This 4-5 day classic lash extension course is designed to teach students the fundamentals of applying individual lash extensions for a natural and elegant look. Students will learn the three techniques theory of volume, classic and premade and practice on real life models the classics technique .

COURSE OBJECTIVES

- Understand the anatomy of the eyelid and the individual lash
- Learn the correct application techniques for individual lash extensions
- Understand the importance of sanitation, sterilization, and hygiene in lash extension application
- Apply a range of lash styles, from natural to dramatic
- Understand how to work with different types of lashes and adhesives
- Learn how to communicate effectively with clients and understand their lash preferences

WHAT IS THE CLASSIC TECHNIQUE

Overall, the classic lash extension technique provides a comprehensive and essential starting point for anyone looking to enter the lash industry. It combines foundational skills, industry relevance, and safety practices that prepare students for success in more advanced techniques and a career in beauty. Which later on with speed its easier to pick up and understand the more advance techniques.
